A cartoon illustration of a young child with brown hair, wearing a green shirt and green pants, sitting on the floor and crying. The child's mouth is open in a 'V' shape, and there are tears on their face. Several white, cloud-like shapes are floating above the child's head, indicating distress or anger. Around the child are various toys: a yellow triangle, a blue cube, a red cylinder, a yellow circle, and a blue cube. The background is a solid light orange color.
